War Against Ragging

“Ragging is a violation of human rights

Respect humanitarian values and say NO to Ragging

Ragging is neither a means of familiarization nor an introduction with freshers,

But a form of psychopathic behaviour”

Ragging has become an evil threat that has crept into the campus of learning. We are living in a civilized world and there should be no place for acts of barbarism in the college campus. Every year we come across reports of acid attacks, physical and mental torture, humiliation and abuse. Ragging has spread its roots not only in small colleges but even big universities are under its attack.

In this regard, we the students of Kuppam Engineering College have taken the responsibility of creating awareness among students, parents, society, and other institutions and their managements. So we are organizing a great procession against this inhuman activity on 5000 sq.ft “MEGA BANNER” on 28th of this month by 10.30 AM at Kuppam.

We warmly welcome all institutions to participate in this great event and make it a grand success. Your presence is very much appreciable.

Inaugurated by our hon'ble district collector Sri. V. Seshadri garu IAS, and lead by our Chairman Sri. B.C. Nagaraju garu and principal Dr. Soma V Chetty garu.
