## **18. Best Practices adopted, if any**

The NSS units along with the volunteers conduct the orientation to the Students of Junior Colleges and Schools in Kuppam constituency. The rural background students are enabled good knowledge to take decision on their career and higher education. Also the college conducts one month training program for the students of Govt. Vocational Junior College in their campus which helps them to gain the hands on experience with the latest equipment.

Developed “VAJRAPAAT –Android APP” for warning of Lightning Strikes by our college with the courtesy of APSCHS ISRO, Srihari Kota. This app proactively alerts people on severe weather occurrences happening within their close proximity. This proactive alerting will help and ensure the wellbeing of all such app consumers. The app covers the entire state of Andhra Pradesh. Andhra Pradesh Severe Weather Alert app proactively notifies users of hazardous weather conditions and helps them protect their wellbeing in a timely manner. Andhra Pradesh Severe Weather Alert app also alerts alternate POC of the user so they also are aware of the mobile.
